

Prices for Compos Analysis 6.3 Excel Add-In

Version/ price	Single user licence ¹	Multi-user site licence ² for up to 10 users	Single user student licence ³ (concessionary discount price)
Compos Analysis 6.3 standard 3 year licence The option to weight cases is <u>not</u> included in this version. Limited to 200 cases and 25 variables.	110 GBP	200 GBP	80 GBP This licence is valid for 6 years but is non-renewable
Compos Analysis 6.3 plus 3 year licence Allows weighting of cases; this is useful if the quantity of data collected varies widely from animal to animal. Accepts data with up to 2000 cases and 30 variables.	155 GBP	290 GBP	A concessionary student discount price is not available on the plus version
Upgrade to 6.3 plus 3 year licence from any single user licence (except student licence)	110 GBP	245 GBP	There is no upgrade path from a student licence
Upgrade to 6.3 plus 3 year licence from any 10-user site licence	-	200 GBP	Not available
Renewal* of 6.3 standard licence for further 3 years	74 GBP	128 GBP	Not available
Renewal* of 6.3 plus licence for further 3 years	101 GBP	182 GBP	Not available

* Renewals should be paid before expiry of the current licence and in any case within a month after expiry for renewal prices to apply.

To order, please complete the form on the following page and send it to: sales@smithecology.co.uk, by Fax to +44 (0) 560 1166992 or post it to **Smith Ecology Ltd.**, Ty Major, Forest Coal Pit, Abergavenny, Monmouthshire, NP7 7LH, Wales, UK.

Payments: We have no facility for credit card payments, so payment is normally required by GBP (United Kingdom Pounds) cheque/ postal order, by international postal giro in GBP or (preferably as it is the most secure payment method) by transfer of GBP direct into **Smith Ecology Ltd.'s bank account in the UK** (our Swift code for international transfers including Eurozone, and IBAN number for Eurozone transfers will be supplied on the invoice). We can accept payment by a cheque in another currency. *Please state you wish to pay in this way when you place your order so that we can invoice in your preferred currency.* We will calculate the alternative currency value at the time we process the order, using the XE.com website, and show that on the invoice.

Upon receipt of your order we will e-mail (unless you have requested a CD) the software together with a licence, user's guide and invoice for immediate payment. The files are < 400 KB in total. *Although the invoice would normally be e-mailed for an e-mail order, we require a full postal address for the invoice before software can be sent.*

¹**Single user licence:** You may install and use one copy of the software product, or in its place, any prior version, on a single computer. You may also store or install a copy of the software product on a storage device, such as a network server, used only to install or run the software product on your other computers over an internal network; however, you must acquire and dedicate a licence for each separate computer on which the software product is installed or run from the storage device. A licence for the software product may not be shared or used concurrently on different computers. The licence is valid for 3 years and is renewable.

²**Site licence:** A site licence permits use of multiple copies of the software product by the single entity that holds the licence, at the single entity's sites. You may make the number of copies of the software product authorised by the licence agreement and you may use each copy at the licensed sites in the manner specified for single users above. The single entity is the licensed organisation, such as a university department. The software may be copied by (i) the salaried employees of the organisation, or (ii) students under direct supervision of such employees at the organisation's sites (including field sites) or at home, but not for use by contractors or students elsewhere, and only provided that the number of copies does not exceed the number permitted by the licence. The licence is valid for 3 years and is renewable.

³**Student licence:** Available for students, normally defined as someone having a current student identity card. State if you are a student buying for yourself when ordering. A student licence covers your own use as a student and does not extend to use by others. It is only available for the standard version of the software, not the plus version and is not upgradeable to an alternative licence. The software supplied is the full standard version. The licence is valid for 6 years but is non-renewable. To continue use after 6 years you should purchase a regular single user or site licence.

Order form for Compositional Analysis 6.3 Excel Add-In

To place your order, please either complete this form (preferably typed) and send by e-mail to <sales@smithecology.co.uk>, by Fax to +44 (0) 560 1166992 or by post to Smith Ecology Ltd., Ty Major, Forest Coal Pit, Abergavenny, Monmouthshire, NP7 7LH, Wales, UK, or supply all required information in an e-mail.

		‡Total (GBP)		

Note that all prices exclude value added tax (VAT), which will apply in European Union (EU) countries. VAT registered customers outside of the UK should supply their full VAT number in addition to their full postal address for the invoice, otherwise VAT will be added to orders from within the EU at the prevailing UK rate (currently 17.5%). GBP = United Kingdom Pounds

† Our Swift code and account number for international bank transfers including Eurozone, and IBAN number for Eurozone transfers will be supplied on the invoice.

‡ For customers wishing to pay by cheque in a currency other than GBP we will calculate the currency value equivalent to the relevant price above at the time we process the order (using the XE.com currency converter available on the internet) and show that on the invoice.
